COMPANY SUMMARY

Russell's Transport, LLC is a proud minority, woman, and family-owned and operated small business serving all of the Southeast regions for the past 6 years. We specialize in providing flatbed transportation of general freight for shippers. Our top priority is to ensure we meet our customer's needs in a timely and professional manner. We pride ourselves on having a strong foundation that includes honesty, respect, integrity, and hard work.

At Russell's Transport, we provide customers with same-day and long-distance pick-up and delivery, adhering to time-critical hauls and wide load hauls. Our objective is to offer our customers a streamlined shipping and hauling experience by offering reliable and affordable options. We have an experienced and proficient team to accommodate clients and all of their transportation requirements!
